

About our Refurbishment

On 25 August 2008, SMK's entrance lobby has been reborn with new looks and new concepts. SMK employees have planned out these concepts, and have decided on this design after numerous discussions.

Project Theme

Creating an Exciting Future

~Vision to Creation, It's Our Challenge~
 ~SMK Technology:
 Global Collaboration Specific Solution ~
 ~SMK's advanced technology here, there, and everywhere~

Spatial Concept

Transnational

The interior and furniture of each room symbolizes the image of the Earth and the World.

SUN

Image of the sun's "dynamism" and "brilliance"

GREEN

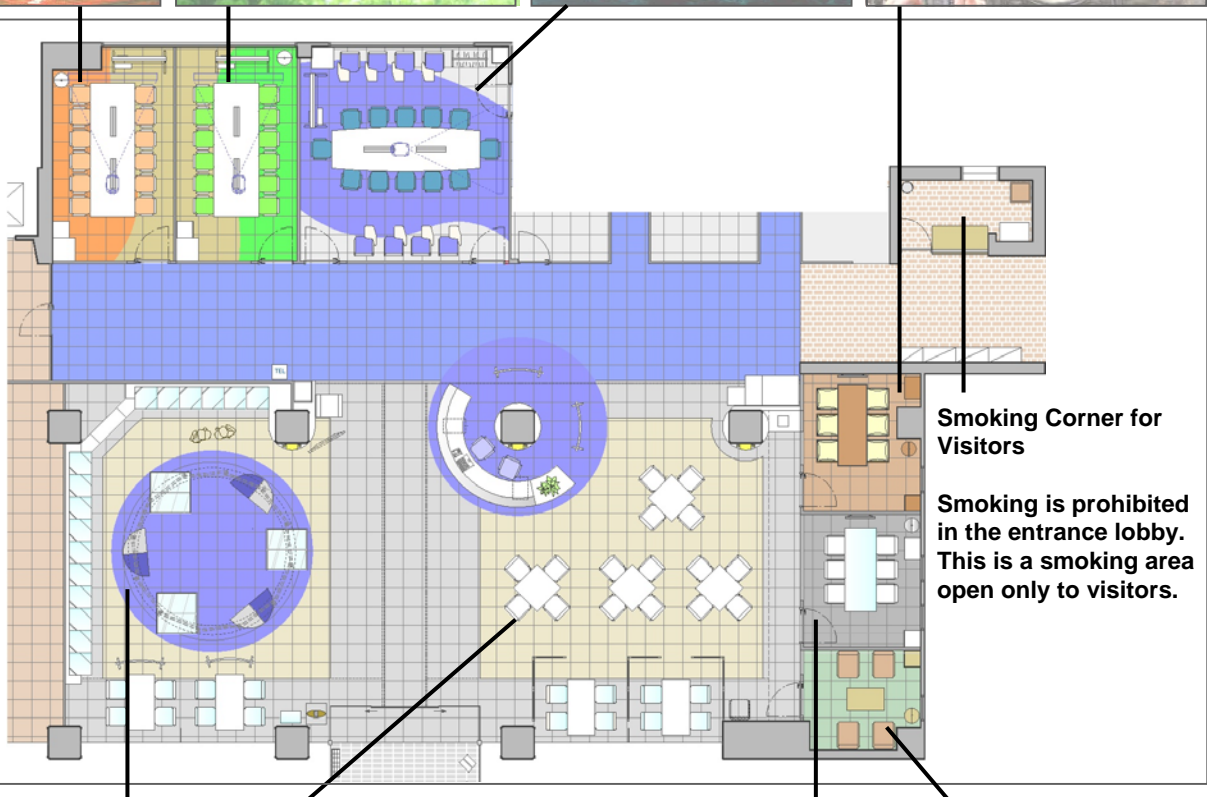

Image of the greenery's "growth"

AQUA

Image of the water's "generosity" and "unity"

HISTORY

Image of SMK's "DNA" and "time"

Showroom

A place for visitors to become familiar with SMK's new technology and products

Lobby

A place for quick meetings and discussions

NEXT

Image of "vision" and "future," indicating SMK's future path

JAPAN

Image of "comfort" and "harmony," indicating SMK's birthplace, Japan

SMK Corporation Refurbishment of Entrance Lobby of SMK Head Office

25 August 2005
