Making a Financial Donation as the Second Relief Support for Typhoon Haiya that Struck Leyte Island in the Philippines

The SMK Group (Yasumitsu Ikeda, Representative Director, President and Chief Operating Officer) will be making a financial donation as the second relief support for victims of Typhoon Haiya that struck Leyte Island in the Philippines. In addition to the first relief support, which was 4,000 sets of provisions delivered to the disaster-affected region on November 15, this time we will be making a donation of 5 million yen.

This donation was contributed voluntarily by the employees serving SMK Group and overseas works and sales bases, and by the SMK Corporation and Showa Ikeda Memorial Foundation.

This donation will be made to the Japanese Red Cross Society and the Department of Social Welfare and Development (support organization under the jurisdiction of the Philippines government).

We would like to once again offer our heartfelt sympathy to the victims of the typhoon and pray for the rapid recovery of the disaster-stricken areas.
