# Interface Connectors

## High Speed Data Connectors

- For high speed transmission such as LVDS, USB 2.0 and Ethernet
- Various key code option and color codes are available
- For automatic mounting

- Rating：1.5A, 100V DC
- Characteristic Impedance：100Ω
- Operating Temperature Range：-40℃ to +105℃

□□: : Part No. is changed by key codes and color codes Please contact us for more information

**Plug Right Angle**  *CSC5004-5B□□F*

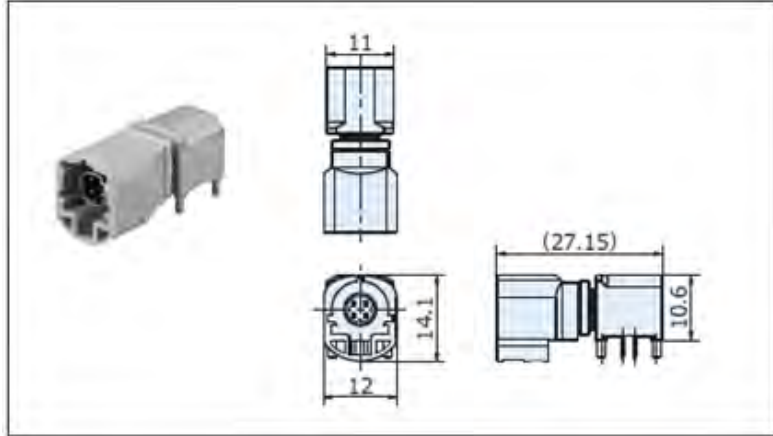

**Plug Right Angle**  CSC5004-5C□□F

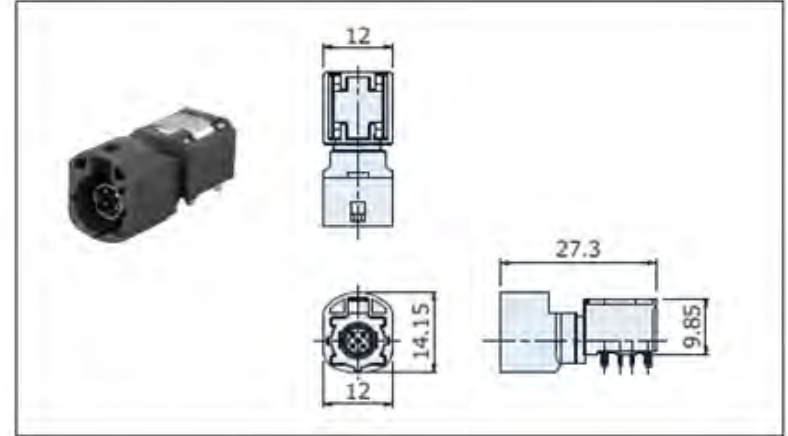

**Plug Vertical**  CSC5004-6C□□F

**Cable Jack**  CSS1004-50□□F
